

EVENTS PHOTOGRAPHY

Hi there! My name is Dave Gleeson from Sunny Coast Photos and I am the leading events photographer on the Sunshine Coast! I have vast experience at covering a huge range of high profile corporate and business events, conferences, awards nights and more!

I have covered events for clients such as National Rugby League, TikTok, Noosa Council, Optus, Sunshine Coast Council, Fujitsu, L'Oreal, Peppers Resorts, Noosa Tourism, Ironman Events, Surf Lifesaving Australia, Sofitel Resorts, Swimming Australia, The Loyal Foundation & more.

I provide reliability, experience, trust and quality, to ensure your event is covered professionally and your guests or clients are amazed by my service and images, which then reflects on you!

Don't risk your event coverage with a less experienced, lower quality photographer!

I can cover all sizes and types of events, deliver great images, offer a reliable & professional approach, and handle the entire process from start to finish to ensure that you don't have to worry about a thing. I also turn your images around in super-quick time to ensure that you can showcase your event images asap via socials and other forms of media.

MORE INFORMATION & RATES

my events photography packages include all pre and post shoot communications, up to one hour travel time, all my time on location along with my creative and technical skills, supply and use of all my professional photography & lighting equipment, extra time in editing and post-production along with a selection of the best high resolution digital images included.

during your event photoshoot I will capture a large range of candid event style images to meet your brief, and I will then upload all the best photos to your own online photo gallery for you to view and choose from. all photos that you receive from your shoot become yours to use for life with no extra licence fees payable. on average you can expect around 50 images to be supplied per each hour of coverage (depending on what type of event you are having)
